JUNE 26, 2024

The regular meeting of The Board of Supervisors of the Hendry-Hilliard Water Control District was held in the offices of Hilliard Brothers of Florida, Ltd., 5500 Flaghole Road, Clewiston, Florida, on June 26, 2024.

Supervisor's Present were: Joe M. Hilliard II
 Jim Snively
 Danny Sutton

Members of the District's staff present were:
 Tina R. Martin, Bookkeeper
 Tommy Perry, Engineer
 Summer Foster, Engineer

Others Present: Wayne Smith
 Bryan Hilliard

Joe M. Hilliard II called the meeting to order and upon the motion made by Jim Snively the minutes of the last regular meeting held on January 12, 2024 were read and approved as presented.

After discussion, upon motion made by Jim Snively and seconded by Danny Sutton., the Treasurer's report and bills were approved as presented.

The board briefly discussed the miscellaneous income that we have been receiving from Water & Soil Solutions. President Hilliard advised that currently the funding for the program was still in the budget for the company and we should continue to receive the additional income for the time being.

Tommy Perry advised the Board of Supervisors about a law that was passed last year preventing Counties from assessing special assessments against agricultural lands. Tommy advised that he has received some emails from the Association of Special Districts regarding this and Wilt Simpson is stating that he is going back to the legislature to try and have that changed to all special assessments not just County assessments which would include all 298 Districts. This would eliminate all of our funding.

The Board approved the Audit report prepared by the auditors Grau and Associates.

There being no further business to come before the board, upon motion made, seconded and carried, the meeting was adjourned.
